Friday, July 14

Hike "The Narrows"

in Zion National Park

Pastor Joe will lead this hike which goes through the water of a slot canyon with some amazing views most people don't venture to see.

- Pack a lunch/ snacks
- Plenty of water (even though the hike is through water, you still need to keep hydrated)
- **Sturdy shoes** that can get wet.

We'll leave the church lot at **8 a.m.** (for you folks that like to sleep in, set your alarms) - **Friends are welcome to come!**

Please sign up at the info desk or text Pastor Jill if you plan to go. We need to have enough cars.
