Reactions from New Promise members who attended the first *LifeKeys* workshop:

*"LifeKeys was a wonderful experience because it made you think outside of the box regarding what you really want and what you really need to do, to truly be content with your life. It brought out ideas that I had never really considered before."*

*"LifeKeys were very insightful for me as I had never thought about spiritual gifts that I might possess and the ability of using those gifts in my life."*

A guided journey to discover your purpose in God's plans

Do you sometimes wonder what your gifts might be and what *God's* purpose is for *your* life?

*LifeKeys* was created specifically to guide God's people to:

- work,
- leisure,
- volunteer and
- service

activities that are:

- inspiring,
- energizing and
- fulfilling.

*LifeKeys* helps you understand and appreciate the unique way that God has made you and where or how He may be calling (or nudging) you to serve--at home, in church, in your community.

*LifeKeys* is a biblically-based, comprehensive program, that explores five specific areas:

- *Life gifts:* your natural talents
- *Spiritual gifts:* specific abilities God gave you to grow and nurture His church
- *Personality type:* preferences for the places or settings that appeal to you
- *Values:* those things that define your core character and supply meaning to your life
- *Passions:* activities you care deeply about and that bring you joy

The combination of these five areas makes *you* uniquely *you*, as God has purposefully put you together:

*"For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do." Ephesians 2:10*

*Lifekeys* is offered in two different formats: a workshop or book study.

The **workshop format** takes place over five Saturday mornings in October 2010. The workshop includes a variety of interactive activities:

- small group exercises
- individual reflection time
- large group discussions
- presentations on key *LifeKey* themes

The **book study format** takes place over eight Monday evenings in January - February 2011. The book study is a small group discussion format; participants read chapters in the *LifeKeys* textbook prior to each session.

Choose the format /time that works best for you. Supplemental materials and one-on-one support will be available in both the workshop and the book study.
